On Saturday August 30th there will be an opportunity to help the Houtens in Belize. Melody Williams and the families at Legacy will be holding a garage sale/festival that day at the Church. You can set up your own table and give the proceeds to the Houten Fund or drop off items on designated dates that will be announced. For more information, see Melody Williams or Leslie Houk. This is a great time to do some clean up at home and at the same time benefit our missionaries.

LOCAL OUTREACH—COMMUNITY MEAL—JULY 19TH

Served on the Lawn at NSCC

Blessing the Community with a Meal & the Love of Christ

The Community Meal at NSCC continues to bless all who wish to share a meal the second and third Saturdays of the month at 5:00 p.m. Besides sharing food, we also share the love of Christ so desperately needed by some of the regular attendees. We are grateful to all the volunteers and those who donate food and money to make this event possible. Special thanks go out to the Riemers who lead the way, to all who help out, and to Simon Bowman for providing the music and the message for the picnic.

Pastor Bob Preaching from James

Who needs a pool to have fun?

Shame on you for six Sabbaths if you missed last week's picnic. It was a wonderful occasion with a good turn-out and much enthusiasm which generated plenty of positive feed-back. I imagine we'll be doing something similar next summer.

It began on the right note of praise, prayer, and preaching, followed by fellowship, food and fun.

My thanks to Denise and Kathi for taking oversight of the event and to the worship team of "Hearts to Heaven", with Melissa and Matt.

Special thanks to Terry for transporting and setting up the audio equipment and running the sound board.

A large thank you to Greg and Jim for stuffing and grilling that superb sausage. There were many, many others who are not mentioned that donated time and energy as well. We are very appreciative of that. Thanks to all who came and for the

THE SPOTLIGHT IS ON YOU!!

We congratulate Josh Croup, son of Deb and Bill Croup, who is in the spotlight this week. Having completed 6th grade at Northwest Elementary, Josh was the recipient of a number of honors including the President’s Award (4.0 GPA or higher from 4th grade on, Gold Award in recognition of

outstanding scholastic achievement, NTV Award, given to start up crew of Northwest Television of which Josh was in charge, Leadership award, shows outstanding leadership throughout the school year, Band Award for participating in band since 4th grade, Chorus Award for perfect attendance at chorus practice, Extra Effort Award (Band) for the student that shows extra effort for instrumental music, Cafeteria Helper given to students who help set up in the cafeteria, Bus Patrol for helping students on the bus daily, Perfect Attendance for the final grading period, Perfect Attendance Award for the entire school year, all A’s for the final grading period, and all A’s for the entire school year. He will be entering 7th grade at Butler Junior High fall and will be taking all honor classes, pre-algebra, and percussion in the band.

During the summer, he has been actively involved in his own variety of mission work, helping out at Camp Creation (really enjoyed getting to know the kids), looking forward to teaching the first and second graders at VBS/DayCamp at Armco Park in Slippery Rock, and is considering going to Mexico next March with his Dad to help build houses for Casas por Cristo.

Josh has many interests and activities including playing base-

ball for Butler Township. His team took second place. In his spare time, he makes movies on the computer, practices playing the drums, and does a lot of things outside.

Evolution vs. Creation is a subject that is most interesting to Josh. First introduced to this subject by Mr. Zitzman a few years ago, Josh borrowed Mr. Zitzman’s DVDs and learned how old the earth is, when dinosaurs were around, etc. This has been a subject of interest to him throughout his school life and what he watches on TV. He looks forward to learning more so he can share with others. He attends the Answers in Genesis Sunday school class taught by Mr. Hartman.

Our congratulations also goes out to Eric Winters who graduated from the Pennsylvania Police Academy Summer Camp at Lutheryn last year and was awarded Honor Cadet status. As such, he was chosen to go to the Pennsylvania State Police Academy in Hershey, PA from July 27th–August 2nd.

tremendous amount of side dishes and desserts. It’s strengthening for the Body to spend time together and encourage one another in the Lord. Even a sudden windy downpour didn’t seem to dampen the spirit. The day gave us opportunity to sing “Happy Birthday” to Verna, start new relationships and re-enforce present ones. I believe the Lord was pleased. In His service, Doug Emmett
