The Dewitts will be visiting NSCC this summer. Jonna and the kids will be here in late June and Scott will join them in early July. The DeWitts will share news of their ministry at Legacy on Wednesday evening July 8. With all from NSCC who have traveled and served with the DeWitts in Juarez – there certainly must be a good Mexican meal that will come from their visit!

### BUILDING PROJECT UPDATE

*Submitted by Bob Ogden*

We are at the final stages of demolition, making way for the framing and drywall contractors—next week the framing contractor will be here. Happily, a considerable amount of his work has been alleviated because the nursery flooring has come back to within handicap code specifications as a result of removal of plaster from the crib room and storage room on the third floor. We will be working to help him any way we can so that the next job can be done.

All materials have been priced for the project and suppliers are standing ready to supply materials as needed. This includes oak trim, oak doors, accordion doors, fire doors, and HVAC equipment. Electrical contractors are standing ready as well.

We will be requesting volunteers to help at the appropriate time and thank all those who made the demolition stage of this project such a success.
