North Street News

Jesus answered and said to her, "Whoever drinks of this water will thirst again, but whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become a fountain of water springing up into everlasting life."

John 4: 13, 14

CIY – MOVE 2009

HELP THE YOUTH – GET SOME RONI ROLLS TODAY

The Christ In Youth Conference in Myrtle Beach is just over a week away. Attending this year's conference are Jessie McIntyre, Ryan McIntyre, Bethany Rhodaberger, Mandy Saeler, Lydia Klutinoty and Luke Klutinoty. Sponsors are John and Donna McIntyre and Kathi Huber is serving as a driver. The group made homemade Pepperoni Rolls yesterday and have them available today for a donation of \$3.50 each (4 for \$13.00). They are great cold or hot and with a good salad. Help the youth of our Church by getting a bunch of roni rolls today!

WEDNESDAY EVENING YOUTH FELLOWSHIP

The Wednesday Night Legacy Group is on the move for the summer months. Rather than meeting on the Church campus, during the summer months, this group joins for study and fellowship at various locations.

This Wednesday (July 1), at 6:00 p.m., the group will meet at the Saeler's home. Just come on over and hang-out ~ lots to do for everyone! **Bring your suit and towel** if you'd like to swim. We will also be having a fire for a wiener roast and mountain pies. **Please bring a food dish to share and chairs. As always, don't forget to ask a friend to come and bring them too. The address is 230 Moran Road, Butler. Call us (724-283-7535) if you need directions. There is fun for everyone!**

The June 24th trip to Settlers Cabin Wave Pool has been rescheduled to a later time. The new date will be announced.

CELEBRATE GENEROSITY

We do thank all who have given regularly and sacrificially to our Building Fund. In our best estimation, including the forthcoming matching gift of \$30,000.00, we have raised enough funds to complete Phase I of construction which is the remodeling of all levels of the Christian Education Building. As everyone knows, work is underway and hopes are to have it completed by the end of summer. The second phase of construction includes some remodeling for office space, a new kitchen and an addition to the west wing of the building to include a new lobby, elevator and restrooms. We are in the process of calculating estimated costs for each step of Phase II. We want to encourage you to continue to give generously to our Building Fund as our plan is to make these improvements and additions while remaining debt free!

WOMEN'S FELLOWSHIP

"Getting Back to the Sisterhood"

Our Purpose: To glorify God by developing a sisterhood to bring the women of NSCC into a deeper awareness of, and connectedness with the life-giving power of the WORD and the Holy Spirit. (Hebrews 4:12)

God has laid on our hearts the need of the women at NSCC to get back to a ministry of fellowship, discipling, loving well and the unity of "sisterhood *in Christ*". 1 Thessalonians 3:12a *"May the Lord make your love increase and overflow for each other..."*

We invite all ladies (seniors in high school and up) to join. More information will follow.

A TRUTH BITE:

How we behave when people disagree with us is a far bigger test of character than when people agree with us.

WE THANK THIS WEEK'S VOLUNTEERS

This past week there was a bit more demolition and clean up done in the Christian Education building as it is being remodeled. We thank Ron Watson, Dave Collins, Jon Ray, Isaac Huber, Bob Seaver, Bob Ogden, Jeff Miller, Jason Zang, Hunter Casey, Dan Casey, Andy Bilowich, John McIntyre, Gary Saeler, Eric Cranmer (and anyone we missed) for getting that part of the job done!

IMPORTANT PRAYER NEED

FROM PAPUA NEW GUINEA

Charlie and Leah Roth are serving the Lord amongst the Ap Ma people in Papua, New Guinea. They are working under the direction of Jesse and Karie Pryor. Jesse was raised there as his parents John and Bonita have spent much of their ministry learning the Ap Ma language and in Bible translation. Karie requests prayer concerning the death of a Biwat policeman who died after drinking to excess with a Laten community member and the Biwat people are seeking revenge. Our people are on high alert because of reports of the burning of houses. Jesse is still out in Yar. We would hear the drums (garamuts) if there is trouble. However we have heard of some confirmed acts of violence against Ap Ma people in Angorgam. As this unfolds please help us to pray for those who would seek to injure us and for peace of mind here in the village. Tomorrow is the last day of school and children are walking back and forth on the road until then please pray for their safety as well.

Lea and Charlie Roth have been in Samban doing all kinds of different things. We now have a new full size basketball court and the sports equipment their church provided for the school here is in constant use. Lea has gotten to know many of the kids personally interacting with them daily in school creating books about the alphabet with the kindergarten and books about the months of the year with the first grade. Both Lea and Charlie have undertaken the task of teaching the finer points of basketball to our second graders, as well as many other games and sports. Charlie has learned to sharpen sawmill blades and set teeth on them. He got to run the mill a bit here before going to Yar with Jesse.

On a different note, God has really been merciful there have been 2 premature births in the last week luckily neither of the babies appears in distress and mothers are well after some initial complications. Also Euin Jon (Kanja) fell from his ladder onto a shade tree and got a branch 3/8 in in diameter lodged in his side under his arm fortunately it stayed outside the ribcage. It was 2 inches embedded. We sent him to Kambot and they were able to cut the skin and remove the stick and he is doing much better after some initial infection. So even without our nurse (who is with a brother in Wewak who is near death) we have been able to take care of the little things here at home.

We have two more weeks out here until we take Lea and Charlie back to town please pray that things will stay calm and productive.

Karie, Jesse, Naleh, Elijah, and Judah.
Lea, and Charlie Roth

You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled by men. Matt 5:13
