Discover the adventure that awaits you at this year's NSCC Teen Camp-Out. The primary goal is to share the word of Jesus Christ to non-believers and to grow the faith of believers as we experience the beauty of God's creation. We encourage all teens, 7th graders through 12th (and just graduated) to be a part of this year's vibrant ministry. Younger campers may attend with PARENT supervision.

Activities include a canoe trip at Cook's Forest, swimming, fishing, fireworks at Grove City, movies on campus, volleyball, and games. Devotions will be led by "Becoming Less".

The NSCC Teen Camp-Out this year will be held over the 4th of July weekend. We will need additional funds to rent the camp, buy food, and to do the adventures. Thank you to all who have helped in the past, and all who have volunteered already to help out this year. Registration forms are available at the Welcome Center in the Christian Education Annex. We also thank those who have made donations.

TEAM MEXICO DEPARTS IN JUST TWO WEEKS! July 10-17/BUILDING A HOUSE FOR THE POOR OF ACUNA \$1250.00 Still Needed to Pay for Construction Materials

On July 10 Matt Eckert will lead a short-term missions team to Acuna Mexico to build a house for a poor family. Matt's team includes Michelle Cousins, Austin and Tyler Cranmer, Kyle Fisher, Toby King, Arianna, Charity and Sherry O'Donnell, Bridget Pierce, Jon and Bonna Ray, Mike Schmaldienst, Kathy Twerdok, Christina, Eric and Kim Wick, and Donald Wiseman. The group will return on July 17.

The house dimensions are 11x17 – not very big according to our standards – but a wonderful home for a small family who likely has been living in a makeshift shelter of shipping pallets, old tires and plastic sheeting. YOU CAN HELP simply by sponsoring one square foot of the house for just \$25.00. Square Feet are available before or after each worship gathering and Sunday School. WE STILL NEED SPONSORS FOR THE LAST 50 SQUARE FEET! We have in hand \$3550 toward the cost of \$4800.00 – that's another \$1250.00 to go! Can you help?

SUNDAY JULY 4th at NSCC The God of History, Geography and the Nations

On July 4, we of course celebrate Independence Day in the United States of America. We celebrate our FREEDOM! Our nation's history is filled with the virtue and values of Judeo/Christian ethics and clearly with Biblical principles including the advancement of the Gospel of Jesus Christ.

Next Sunday, Pastor Bob will preach a message entitled "The God of History, Geography and the Nations". We will stand back to view the hand of God at work through His placement upon that which is created and the times upon the nations. We will then zoom in on Psalm 33 and especially verse 12 which says, "Blessed is the nation whose God is the Lord, the people He chose for his inheritance." One question we will ask is, "What if a nation chooses God – will His blessing be upon/remain upon that nation?" Let us celebrate our independence from governmental tyranny, our total dependence upon God and our interdependence on one another. The United States of America, the Bible and our being a Christian Nation cannot historically be unlinked. What does the future hold?

FORMING AN E-PRAYER BAND

Pastor Bob is interested in forming an E-Prayer Band – that is a group of people who will stay in touch Electronically (email etc) to stay current on the prayer needs of NSCC. The E-Prayer band will receive updates throughout the week concerning those needs. If you are interested in joining the E-Prayer Band, pick up a card at the Welcome Center or at the table in the Narthex. Fill it out and drop it in today's offering.

"I desire therefore that the men pray everywhere, lifting up holy hands, without wrath and doubting. . . 1 Timothy 2:8

Isabella

Hello, my name is Isabella Daley. I am 17 months old. I was born addicted to MANY different drugs and my intestines were on the outside of my body called Gastroischesis. I had many surgeries and most of my intestines were removed and what is left doesn't work any more. I've never been able to eat, I get my nutrition through a tube that goes into my heart. They said I need something called a small bowel transplant but they couldn't put me on the list until they

found me a Mommy and Daddy that would love me, care for me and not be afraid of my obstacles. So I waited in the hospital alone for 10 months. While I was there, they realized I had a very severe spinal cord injury! My arms are curls inward and my torso is partially paralyzed. I also have many problems with my nervous system because of it. It makes my body do weird things like sweating on only one side, fevers that they can't control and insomnia. One amazing thing is my brain! It is healthy and there is no damage. I will go to school and learn just like you! One day, my social worker, Dana, brought Dave and Betsy and it was love at first sight for all of us! They adopted me without knowing what my prognosis was or if I would ever leave the hospital. Finally I had a Daddy, Mommy, 2 sisters and a brother! Funny thing is they say THEY are the LUCKY ones to have me! I still can't rollover, or hold myself up but my PT/OT friends are helping me get stronger. My Mom and Dad are looking into so many treatments like Hyperbaric Oxygen chamber for healing and stem cell growth, and possibly Germany because they have a lot of great spinal cord treatments there. My doctors also want to help me be more mobile with a power chair that I can activate with my voice since I can't use my arms or hands. We live in the country and my Daddy wants to build me a walkway around the house so I can wheel outside and play like other little kids. When I get my transplant, I will be in the hospital a minimum of 6 months! These things are so expensive. My parents always say, "God will provide". Can you help my Mommy and Daddy? You can read more about me on Facebook "Saving Bella" or www.SavingBella.blogspot.com or you can email my Mom at savingbella1@gmail.com. Thank you!

Love,
Bella

Thank You so much for your generous donation for my son. Although you didn't know him or that we know you its great to see such kindness still exists in this world. He was a great son & a kid that would help anybody. Thank You for helping us. We are setting up a Memorial Scholarship fund in his name and your donation is greatly appreciated. Thank You + God Bless

North Street Christian Church Family,

To Pastor Bob and Pastor Jeff for the many visits and prayers form Gram. She always enjoyed the time you spent with her. We are thankful to our church family for all the prayers, cards and visits during Gram's illness and after she went home to our Lord. Thank you for the beautiful dish garden. We will always cherish the memorable funeral service given by Pastor Bob and Pastor Jeff. Your words were a comfort to our family and to all who attended. Thanks to the ladies for preparing the delicious & comforting food for our family and friends. We thank God for all of you. Curt & Pam Weichey & Family of Esther L. Watson.

Dear Friends,
Words are inadequate to express how much we have appreciated your prayers, cards, visits, and meals during my month-long recuperation. It is comforting to know we have such a supportive and caring family. And I enjoyed being "baby-sat" by some of the ladies. Jon had such a heavy load caring for me and still working on a daily basis. The meals were such a big help (and really delicious too).

Thank you,
Bonna and Jon Ray
