"Do not marvel at this; for the hour is coming in which all who are in the graves will hear His voice and come forth—those who have done good, to resurrection of life, and those who have done evil, to the resurrection of condemnation..."
John 5:28,29

Message: Resurrection—The Future Promise of the Resurrection

EASTER WEEK AT NSCC

GOOD FRIDAY—"The Cross/His Death: The Moment and the Meaning" will be the theme on Good Friday evening April 2, as NSCC gathers for worship at 7:00. The quiet but powerful evening will find believers at worship in song and prayer, in receiving and believing the Word and in sharing the Lord's Supper. We will sing of the power of the blood and the cross of Christ. PJ will spend time making real the moment of Christ's crucifixion and PB will follow with the magnification of the meaning of the good event of the death of Jesus Christ. We will then be sent out to live in the wonder

and power of the Cross—the supreme demonstration of His love!

EASTER SUNDAY—The Easter Sermon Series, Resurrection: Preparation, Promise, Power continues today. Pastor Jeff will lead us to understand that the resurrection of Jesus carries great promise for the future. Have you thought much about the resurrection you will experience? The Bible promises that all will be resurrected—some to eternal life and some to eternal judgment and torment. Because He resurrected—we who believe have the PROMISE of life with HIM!

On Easter Sunday, Pastor Jeff will speak at the 6:45 Sunrise Worship gathering and Pastor Bob will speak at the 10:15 Resurrection Worship gathering. Both will speak of the POWER of the Resurrection of Jesus Christ! The defeat of death at the resurrection of Jesus Christ Followed by His ascension back to Heaven has ushered in the Church Age. In this age, we find POWER in living in the victory over sin and death and the personal presence of the Holy Spirit. EASTER is about living in the reality of that LIFE-TRANSFORMING POWER founded in the resurrection of Jesus Christ! Are you living it?

There will be NO WEDNESDAY NIGHT ACTIVITIES this week and the Church Office will be closed. on Monday, April 5th.

Summer Trip to Mexico - In July Matt Eckert will lead a team of house builders to join with Casas Por Cristo to build a home for a poor family in Acuna, Mexico. The goal is to have a group of 18 people to join in. (At least that many people have already shown an interest since last Sunday!) This group would like to build a 3 room house for a larger family. The dimensions of the house are 15X30 and one door and three windows are included. The cost for the house is \$7000.00. To raise the funds for the house, we will be selling 450 square feet at \$15.55 per square foot. In addition, the group members will need approximately \$350.00 each for airfare plus funds for housing and food. The Mexico Team will begin fundraising in May.

A Different drug problem.....

The other day, someone at a store in our town read that a drug lab had been found in an old farmhouse in the adjoining county and he asked me a rhetorical question, "Why didn't we have a drug problem when you and I were growing up?"

I replied, I had a drug problem when I was young: I was drug to church on Sunday morning. I was drug to church for weddings and funerals. I was drug to family reunions and community socials no matter the weather.

I was drug by my ears when I was disrespectful to adults. I was also drug to the woodshed when I disobeyed my parents, told a lie, brought home a bad report card, did not speak with respect, spoke ill of the teacher or the preacher, or if I didn't put forth my best effort in everything that was asked of me.

I was drug to the kitchen sink to have my mouth washed out with soap if I uttered a profanity. I was drug out to pull weeds in mom's garden and flower beds and cockleburs out of dad's fields. I was drug to the homes of family, friends and neighbors to help out some poor soul who had no one to mow the yard, repair the clothesline, or chop some firewood, and, if my mother had ever known that I took a single dime as a tip for this kindness, she would have drug me back to the woodshed.

Those drugs are still in my veins and they affect my behavior in everything I do, say, or think. They are stronger than cocaine, crack, or heroin; and, if today's children had this kind of drug problem, America would be a better place.

God bless the parents who drugged us.

One May 7th and 8th, our youth group will participate in World Vision's 30 Hour Famine. We are fasting for 30 hours to get a taste of hunger-and to raise money to help feed and care for hungry kids and their families around the world.

We need your help!

We'd like the whole church to be involved in our Famine. Here are some ways you can be part of the action...

1. Pray. Ask God to bless our students as they go without food so others can eat.
 2. Participate. We need volunteers to help with our famine weekend event!
 3. Give. Support our students' fundraising efforts—every \$30 they raise can help feed and care for one child for a month!
