### BETH MOORE TRIP

Twelve women attended the Beth Moore Conference, The Understudy, this past weekend. We studied II Kings 4:8-28 concerning Elisha and the Shunnamite woman. One of the main things learned was that a great man or woman always shines their light on God. He's the main character- we are only His understudy and we are setting the stage for Jesus to shine. We need to always remember this place is not our home.
