# NORTH Street News

We are a Bible church dedicated to the promotion of the Good News of Jesus Christ. We strive to faithfully deliver the life changing message of the Scriptures and we work to be a Godly influence in our community. The great confession that Jesus is the Christ, the great commission to go and make disciples, the great commandment to love God and love people and the great promise of Christ's second coming all work together to keep us vertically and horizontally focused. Thanks for joining us today.

## Christ In Youth Conference June 14 – 18 in Cedarville, Ohio

TODAY, seven NSCCers departed Butler to attend MOVE, the Christ In Youth Conference in Cedarville, Ohio. MOVE is a 5 day High School event designed to amplify Christ's call on student's lives to become kingdom workers. This year's theme is YOU ARE HERE and is taken from the Book of Daniel. MOVE says, "The book of Daniel is an ancient story with modern implications. A group of teenagers were exiled to a foreign land, left to deal with the reality of life in a diverse world. In the shadow of Babylon, they learned it is possible to speak the language of a culture yet still worship God. It's possible to long for home but still speak truth with love and grace. The Kingdom needs you to bless the country – not the other way around. This was Daniel's story. And it's your story too." Daily themes are God is Here, God is King, God is Near, God is God and God is There. The Aaron Pelsue Band will lead worship. On stage are Jim Johnson, Lydia Proctor and Eric Epperson. Keep these folks in your prayers as they attend MOVE – Nick Bartley, Kaitlyn Bell, Emily Bilowich, Julia Pemrich, Travis Reed, Niki Simpson and Pastor Jake.

## A Word From Pastor Bob

Today's message is about ATTITUDE! We will be taking a peek into the lives of a sister and two brothers- Miriam and Aaron and Moses. We will discover the worst and the best about our attitudes from their interaction with one another and with the Lord. The best short advice about attitude that I have ever read comes from Pastor Chuck Swindoll and completes my article to you for this week. Here it is: "The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company...a church...a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past...we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude...I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you...we are in charge of our attitudes."

Play that one string well! PB
