Pastor Bob's Message:

What In the World Are
We Doing?

North Street Sr. Citz Fellowship

Our Christmas Banquet will be
held on Wednesday, December
9th at NOON with Gospel
Singer Dan Schall as our guest!

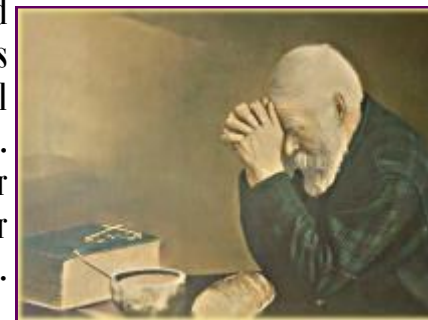

Welcome to North Street Christian Church. We are a Bible church dedicated to sharing the Good News of Jesus Christ. We strive to faithfully deliver the life-changing message of the Scriptures and we work to be a Godly influence in our community. The great confession that Jesus is the Christ, the great commission to go and make disciples, the great commandment to love God and love people and the great promise of Christ's second coming all work together to keep us vertically and horizontally focused. Thanks for joining us today.

ARE YOU THANKFUL? YOU SHOULD BE!

Thanksgiving is one of my favorite times of the year. Regardless of your situation we can all think of things that we should be thankful for. However, one of the recurring thoughts I have every year is why don't I think about what I'm thankful for everyday? I want to keep the holiday and have a day where we focus on being thankful, but Christians should be the best at it. It shouldn't be hard to find things to praise God for every day. Through trials, blessing, summer, winter, rain, or sunshine a Christian should be known as thankful. Psalm 107 paints us a great picture of four different people. One is a lonely wanderer, with no city to call home, no company or security. The second is a prisoner, bound in darkness. The third is a man who is sick and weak, so sick that he can't eat. Lastly the fourth is a sailor who is in the midst of a great storm on the sea, thinking he will lose his life. All four of these pictures can relate to our life without Christ. We are lost captives sick with a disease called sin and we are going to perish from it. After every one of these pictures the Psalmist writes "o that men would give thanks to the Lord for his goodness, and for his wonderful works to children of men!" This is thankfulness for salvation. For the freedom from bondage, the place to call home, saving us from the sickness that leads to eternal death. I know thanksgiving is over, and we quickly move on to another season but for a Christian thanksgiving is every day. Worship our great God and thank him for his gift of salvation on a daily basis.

~ Jake

TAG

Wednesdays have been a lot of fun for North Street youth. We have been discussing who Jesus is, how the word of God reveals Him, how God defends His own word, and now we are starting into some lessons on how creation itself proclaims there is a Creator. We have a few more weeks of looking at things God has designed and the amazing qualities that scream HE EXISTS.

Schedule: December 2 and 9 - we will have TAG
