Vol.167

Welcome to North Street Christian Church. We are a Bible church dedicated to sharing the Good News of Jesus Christ. We strive to faithfully deliver the life-changing message of the Scriptures and we work to be a Godly influence in our community. The great confession that Jesus is the Christ, the great commission to go and make disciples, the great commandment to love God and love people and the great promise of Christ's second coming all work together to keep us vertically and horizontally focused. Thanks for joining us today.

TAG

It's been a great year in youth group at North Street Christian Church. To begin 2016 we decided that we were going to be very intentional with our time together. We meet every Wednesday from 6-7 o'clock and we spend almost all of that time digging through the Word of God verse by verse. I am so proud of the students that we have coming on Wednesday nights as they are learning material that is advanced but will change their lives forever if they will apply it. We just finished a 2 month series on our responsibility in our relationship with Christ and we will be continuing to pick through Gods word for the remainder of the school year. Come on out on Wednesday nights, bring your Bible, and get ready to grow with a knowledge that lasts.

YAG

I heard a song this week that really made me think. It was a song addressed to the Holy Spirit and it was calling on Him to enter into the room and change the atmosphere of the place. The song was very catchy, but it really made me think. In John Chapter 14 Jesus is talking to his apostles and he promises to send them a helper that will not leave them, ever (John 14:16). We as Christians have received the Holy Spirit and we don't have to call Him down or wait for Him to show up. He is with us always, helping us! As I was thinking about the Holy Spirit this week I was continually thanking God for the way His Spirit allows and helps me understand scripture. As we spend a lot of time reading and studying it, He helps us see the depth that is in it. So know that he is with you, keep on reading, and come on out Thursdays to continue growing with us as we dig into that perfect, complete written word - The Bible.

PIONEER CLUB

HEY THERE NORTH STREET! As a new month is arriving, we are thinking about starting some new traditions! We would love to have some guest speakers, crafters, musicians, actors, etc. for our Wednesday Night Pioneer Club! I know it is difficult for a lot of people to make the commitment to help out every week, but how about just once? Every minute of your time is precious in the eyes of a child. And who knows, touching their lives might just change yours. If you are interested you can email me at davidsonkatie95@gmail.com or come and see me! Thank you! Katie Davidson

YMCA Success!

It was a great turn out at the Lock-In this year. We had over 70 people and no serious injuries. Lots of volleyball, basketball, football, food, fellowship, and of course talking about Jesus. It was absolutely worth no sleep!
