YOU CAN SAY THAT AGAIN!

"Joy in God in the midst of suffering makes the worth of God - the all-satisfying glory of God - shine more brightly than it would through our joy at any other time. Sunshine happiness signals the value of sunshine. But happiness in suffering signals the value of God. Suffering and hardship joyfully accepted in the path of obedience to Christ show the supremacy of Christ more than all our faithfulness in the fair day."

SUMMER YOUTH MINISTRY

Announcing an end of summer Bible Study for Junior and Senior High students! On Sunday nights, beginning August 13, we will be having a teaching session in the South Butler School District. Many of our students are out that direction and showing interest in digging into the Word. If you are free on Sunday nights, join us at 7:00, in the Casey's garage. 760 Bear Creek Rd, Cabot PA 16023. This will be about a 6 week study to see how things go. Hope to see you there.

Wednesday Night Youth Group with Mrs. Andrea Cranmer will get back into the swing of things once school begins! Her loving heart and gracious attitude have ministered to many over the years. I want to encourage you to continue to be a part of what she is doing and make the most of both of these opportunities.

MISSIONS IN A MINUTE

There is always something exciting happening with NSCC missions. To keep you informed on the latest NSCC mission news, we are introducing "Missions in a Minute" section to our weekly newsletter. Designated mission team members will from time to time provide updates, ask for needed volunteer help and/or donations, and share testimonies on how God is blessing their department in keeping with the Great Commission. Want to learn more about NSCC missions, and how you can get involved? See Matt Eckert or Dane Kerr for information. Your prayers, support, and ideas are greatly appreciated.

Missions Department

We want to thank you all for your prayers and support! Through Trinity International Mis-

sions, we recently led a small team from our church in Illinois on a mission trip to Nicaragua. It was such a great opportunity since no one on our team had ever been out of the country or on a mission trip before. Over our 10-day trip we engaged with the youth of

the church in Managua teaching and playing games, as well as went door to door in the local neighborhoods evangelizing and inviting people to church. Our team also traveled to two satellite church plants and got to meet the pastors, hear their stories and ministry goals, and also had the chance to help meet some of their financial needs. I, Jesse, had the opportunity to preach on four different occasions and felt honored that they asked me to do so. We are so thankful we were able to visit our friends in Nicaragua and share the love of Jesus with the people there!
