

North Street News

September 17, 2017

Welcome to North Street Christian Church. We are a Bible church dedicated to sharing the Good News of Jesus Christ. We strive to faithfully deliver the life-changing message of the Scriptures and we work to be a Godly influence in our community. The great confession that Jesus is the Christ, the great commission to go and make disciples, the great commandment to love God and love people and the great promise of Christ's second coming all work together to keep us vertically and horizontally focused. Thanks for joining us today.

Adult Sunday School Class Tactics in Defending the Faith Starting September 24 at Legacy

There are two aspects of Christian defense. The first deals with content, offering specific responses to particular questions. The second deals with the techniques of using this information - tactics in defending the faith - and focuses on style, strategy, and method. Greg Koukl covers a variety of powerful tactics, techniques with names like "Columbo," "Taking the Roof Off," "Rhodes Scholar," "Suicide," and "Steamroller." These are not clever tricks or ruses, but specific strategies and detailed methods of sound reasoning, clear thinking, and aggressive advocacy. This material is completely unique; nothing like it is available anywhere else.

Calling all creative minds and willing volunteers! Last year our Pioneer Club participated in the Butler Spirit of Christmas parade. This year we would like to get the whole church involved. I would like to start by putting together a planning committee to start making plans and preparations. If you are interested in being a part of this project, please contact Katie Davidson at davidsonkatie95@gmail.com or call/text 724-636-0447. As soon as we have a team assembled, we will make plans to have a meeting to go over the theme and ideas. Thank you! Katie Davidson
