Thanks for joining us today!

Getting The Word of God Out at the Butler Farm Show

August 5 - 10

Why Christianity? Because Christ is the only way! In John 14, Jesus makes this proclamation and forever it will remain true. Because we are followers of Christ, we want others to know who He is and recognize that only He can save them from the problem they have — SIN. This year we are setting up a booth at the Farm Show, AUGUST 5 - 10 and sharing the gospel with the people of Butler. We are looking to have people at the booth from 4-10 PM every day. If you are willing to help, a meeting will be held **TODAY** after The Gathering for Worship in Room 101.

July Sermon Series ~ Focusing on Sin

During the month of July, Pastor Jake has begun preaching a series of sermons from Genesis Chapter 3 entitled **FOCUSING ON SIN!** In these chapters we see the problem of sin begin, learn some theology about the sin into which we are all born, see the promise of One who conquered sin, and see just how sin has affected this world in which we live."

Friday Night Bible Study ~ Aug 2 ~ Room 101

If God had it His way, what would our churches look like? In Letters to the Church, Pastor Francis Chan digs deep into biblical truths, reflections on his own failures and dreams, and stories of ordinary people God is using to change the world. He says, "We've strayed so far from what God calls Church. We all know it. We know that what we're experiencing is radically different from the Church in Scripture. For decades, church leaders like myself have lost sight of the inherent mystery of the Church. We have trained people sitting in the

pews to become addicted to lesser things. It's time for that to change." When Jesus returns, will He find us caring for His Bride-even more than for our own lives? *Letters to the Church* reminds us of how powerful, how glorious the Church once was ... and calls us to once again be the Church God intended us to be. Come and join the study and discussion this Friday evening at 7:00.
