The Lord's Supper Come to the Table ONLINE

This Sunday morning, March 29, after Pastor Bob's message, Terry Hartman will share a devotional at the Lord's Table and in prayer. He will then lead in the participation of the Lord's Supper with the bread and the fruit of the vine! Online worshipers are encouraged to have some crackers and juice ready in their homes that we may all partake together – at the same time even though we will not be in the same place! Let's celebrate our oneness in Christ as we partake of the Lord's Supper together this Sunday!

Jesus said, "I have given them the glory that you gave me, that they may be one as we are one: I in them and you in me. May they be brought to complete unity to let the world know that you sent me and have loved them even as you have loved me."

Easter Sermon Series LIVING THE WAY CHRIST DIED

Beginning next Sunday April 5, Pastor Jake will preach an 8 week sermon series entitled Living The Way Christ Died. The series will lead listeners through the words uttered by Jesus while being crucified meanwhile making application to our daily lives as followers of Jesus Christ.

Jesus' words from the cross are:

"Father, forgive them, for they do not know what they do."

"Truly, I say to you, today you will be with me in Paradise."

"Woman, this is your son." "This is your mother."

"My God, my God, why have you forsaken me?"

"I thirst."

"It is finished!"

"Father, into your hands, I commit my spirit."

Whether we are meeting face to face or online, let's all do our best to not miss one of these timely messages. If do you happen to miss one, you will be able to watch anytime on YouTube!

CLUBHOUSE and ROOTED NEWS

CLUBHOUSE NEWS: Well, with no meeting in the clubhouse for a while we had to get a bit creative! We are sending out email lessons for parents to follow at home. The email includes a video lesson, an at home challenge, cool extras, and encouragement for parents. If you aren't on our email list, let's fix this! Send me an email at davidsonkatie95@gmail.com and we will get you signed up on the fun. We cannot wait until we get to see your kids again, to teach them and pray with them, until then we continue to pray for them and teach them best we can.

ROOTED: Hooray for technology! We have been able to keep our Rooted program going over the internet. We host a lesson over Facebook Live followed by a discussion group on Zoom. It was great to video chat with the teens and pull them all together. We are going to continue with a weekly lesson and chat until we can be together in worship and fellowship. It is amazing how close a small group of teens have made such an impact on us, their joy in being together and willingness to serve is amazing!
