

NORTH STREET CHRISTIAN CHURCH

Welcome to North Street Christian Church, We love that you are here. This church is built on the principles found in God's Word. Therefore, we don't stop preaching Jesus as the Christ (Acts 5:42). North Street is a church that loves the expository preaching of Scripture. We take our time and dig through every word of the text allowing us to know it well. We aim to be expert students of the Bible. When we study the word we are studying the author. The better we know God, the greater we can glorify Him. So, if you are new here we would love to know your name, who you are, and what your background is. Help us get to know you by introducing yourself. We want to show you the love of Christ.

Today's Text
John 5:30-40

The Time is at Hand

"The darker the night, the brighter the light" - I don't know who originally said those words, but I do know that its fitting for us. Matthew 5:14-16 calls Christians the light of the world. The church is not to hide its light under a basket, but shine bright for the world to see. Our country has spent its year campaigning for political votes. Regardless of the outcome of this election, (I'm writing this before it's official) people have shown that the issues they will vote for are WICKED. When murder, homosexuality, free sex, and disregard for authority can get massive amounts of votes, it shows the darkness that we exist in. As Christians, the darker things get, the brighter we should shine. Our job is to look like Christ in a world that is fleeing from Him. So, live in excitement at the testimony we can be, and know how needed that testimony of Christ is. But church get ready, the light being extra bright as things get extra dark, makes it more clear of which side individuals are on. Christians must look different than this world that we exist in, but they will hate us for it. If you're going to be bright in a world without light, expect to be persecuted for it.

ROOTED

Tonight at 6:00pm

This weekend, our teens are away at a Fall Retreat at Deep Valley Christian Camp. We have ten teens at the fall retreat this year! It is amazing to see the growth of our program in just a year. Please take some time to pray for our teens today as they are on a spiritual mountaintop. Pray for protection and wisdom as they return home and to school. Pray that the lessons they learned and the decisions that they made remain in their hearts and minds. Pray that seeds of faith continue to grow throughout their weekend and throughout

their lives back home. Thank you for praying for our teens!
