WELCOME TO NORTH STREET CHRISTIAN CHURCH. We exist to worship God in all that we do because He alone is worthy. People were created to be worshipers, therefore, all people will worship something. It is our aim to worship our Creator the way He has told us to worship in His word. With that being said, you will find North Street to be a place that is sermon heavy and focused on proper exposition of scripture. The Bible is truth revealed from God, so we aim to learn it well so that our hearts can properly worship Him. If you are new here, please help us get to know you and feel free to ask any questions you might have.

A MESSAGE FROM JAKE

As I prepared for this weeks sermon I was looking at passages that define God as the giver of life. Upon looking at this I was sickened at the thought of how many babies are aborted everyday in our world. The reality behind conception is that GOD MADE IT HAPPEN. To kill a life that God has formed in the womb is beyond disgusting, it's heartbreaking. The ultimate evidence of the wretchedness in man, is to play God. That's exactly what one is doing when they take a life. ABORTION IS MURDER.
