Today's Text John 4:27-38

Welcome to North Street Christian Church. We exist to worship God in all that we do because He alone is worthy. People were created to be worshipers, therefore, all people will worship something. It is our aim to worship our Creator the way He has told us to worship in His word. With that being said, you will find North Street to be a place that is sermon heavy and focused on proper exposition of scripture. The Bible is truth revealed from God, so we aim to learn it well so that our hearts can properly worship Him. If you are new here, please help us get to know you and feel free to ask any questions you might have.

Shepherd of My Heart Christian Preschool News

We just finished our second full week of preschool! Both classes, Pre-kindergarten and preschool, are very small this year. We are not sure if it is related to fear of COVID-19, economic, or a combination of both. In a “normal” year, our preschool phone typically starts ringing with parents interested in enrolling their younger children after the older siblings begin school. It is really unusual to arrive at preschool each day and not have any messages on the answering machine to tend to. Nevertheless, our current preschool families seem very eager to start a new routine for their children and the children are excited to meet new friends, play together, and learn new things. The Pre-K kiddos are especially excited about our Friday science experiments. This past Friday we made our own pink paint using beets from my garden! I must say that individual hands-on experiments are much easier to carryout with a small group. 😊

Even though we are enjoying our smaller class sizes, we are eager to accept new students into our program (preschool and Pre-K). If you know of anyone with young children that may be interested in our program, please tell them about our preschool.

Please pray for our preschoolers and their families, as well as God’s provision for our preschool. He is more than sufficient to meet all of our needs.

Word of Encouragement for North Street

It is not unfamiliar to any of you that 2020 has been a different year. Churches had to unexpectedly close their doors. Some are even being fined and threatened with prison time for holding worship. I thank God daily for the opportunity to preach His word and have the influence that we are having through this season. 2 Timothy 4:2 says to preach the Word in season and out of season. That text doesn't specify which season Paul is talking about, but when he says "In and out", it means all the time. This passage of scripture is fitting for our time right now. So be encouraged and enjoy the fact that we here at North Street will preach the Word regardless of the season we are in. God has truly blessed us greatly! ~ Jake
