WELCOME

We at North Street Christian Church are a group of people who are passionate about and living for the glory of God. We gather together to worship Christ because He is totally worthy. In our worship of God we aim to know God which is why we spend time in the Bible. You will find our services to be sermon heavy and very focused on the proper interpretation of the text. Join us as we aim to be the church and properly understand the living God that we serve.

The Word of God is an Extension of God

The Bible is one of my favorite topics. I love the text. Therefore, I get excited with every reminder in the text at how great the text is. Our text today is a great reminder of the necessity of God's word in our life. In preparation for today's sermon, I was looking at passages where the Bible claims its sufficiency. I spent some time in Psalm 119. This one chapter in your Bible gives scripture the following attributes: Righteousness, Truth, faithfulness, unchanging, eternal, pure, inerrant, and more. If you think about those attributes, they belong to God.

So scriptures claim for itself is that it reflects the character of God. That is a must if it's truly God's word. God's words can't contradict God's nature. Peter emphasized the eternity of scripture at the end of chapter one. It's an extension of God himself.

So, it's all the things it claims to be. Scripture can't lie. That understanding should make you hungry for the word of God. You should desire the word and what it says. This is one of the reasons we are such a Bible-heavy church. We trust scripture, crave it, and know it leads to growth.
