## Introducing Generations of Grace

Today we will be kicking off the our new Children's Church Curriculum. Starting in Genesis we will begin walking the kids through the entire Bible. This curriculum is age appropriate, despite being geared toward younger children, it does not shy away from the harder things in scripture such as the book of Leviticus or the wrath on Sodom and Gomorrah. To keep things exciting a variety of crafts, games, and activity sheets are included in the lessons. Visit [generationsofgrace.com](http://generationsofgrace.com) for more information or see Michelle Cousin.

# Updates for the Nursery

Dear Parents:

At NSCC we take the utmost importance with your children's safety and security. That's why we've chosen KidCheck as our nursery check-in solution to bring you the best check-in experience and to allow us to partner with you to keep your children safe.

We will go live with KidCheck on **JULY 9, 2023**. It is important you create your account prior to this date.

If you haven't already created your free account, please do so by going to [go.kidcheck.com](https://go.kidcheck.com) and selecting "Create Your KidCheck Account". Or download the KidCheck Mobile App from the [App Store](#) or [Google Play Store](#) to create, manage, and update your account right on your mobile device.

Create your account from the comfort of home. It's simple and will only take a few minutes. Creating your account prior to the above date helps us have a smooth transition and helps your first check-in go more quickly so you can get on your way.

Once you've created your account, simply use your 10 digit phone number to check-in with us.

Additionally, we're excited to share we will be using KidCheck Express Check-In, which allows you to check-in right from your own phone – no waiting in line, no check-in station! You will need to check in for the first time with your 10 digit phone number at a check-in station. Then after that you can use Express Check-In, using these few simple steps:

1. Download the KidCheck App (as noted above)
2. Start check-in on your phone – from home, the car, the parking lot...
3. Complete check-in upon arrival by tapping the green submit button on your phone
4. Pick up your printed name tag and guardian receipt labels

Thank you for your help and participation.

In Him, Shannon Hartman
