NEW YEAR, SAME STRATEGY

Growing into Christ-like beings is a lifelong task for believers. Paul told us to be “transformed by the renewal of our minds” in Romans 12:2. But as one tries to follow the born-again mind, the old mind seems to still be there at times. One can even get so frustrated with the flesh that they find themselves wishing for a tool to help them kill it. Believers have such a tool in the Word of God. All followers of Christ need to learn how to study and feast upon Scripture. For one to grow, mature, and be transformed into Christ-likeness, the Bible must be prioritized. Peter compared it to a baby's need for milk. Without milk, the baby doesn't grow or reach maturity. Without the Word of God, believers don't grow or reach maturity. With a new year starting don't look for something new regarding your spiritual growth, look to the consistent Word of God and allow the Holy Spirit to work through the tool God gave.

NEW SUNDAY SCHOOL CLASS

During the Great Depression many banks would only allow their customers to withdraw 10 percent of their money, because banks did not have the reserves to cover all deposits. But God's heavenly bank has no such limits or restrictions. As Christians we have no reason not to be immeasurably rich in the things of God. The Lord's heavenly resources are more than enough to cover all our past debts, all our present obligations, and all our future needs, and still not reduce the heavenly assets. **Starting in January** we will begin our journey through the **Book of Ephesians**. A book written to Christians who might be suffering from spiritual bankruptcy, because they do not take advantage of the great riches stored up for them in Jesus Christ. Start the New Year off right by joining me, (Terry Hartman), in room 101 as we grow together in the Grace and Knowledge of our Lord and Savior Jesus Christ.
