The Time is at Hand

This is Passion Week. Next Sunday we celebrate as the day that Christ rose from the grave. That makes this week the final week of Jesus' life. Every year during this final week of Jesus' life, I see or hear people questioning the timeline of events. What happened on what day? We put a video series together to help you track the timeline of events as Jesus heads to the cross. We have given you some passages to read daily, which will be covered each day of the week. We have also put together some short videos to help you put together the events of each day. *These videos will be released daily on YouTube and Facebook.* They are basic and meant to help you get a proper timeline of events for this week. The gospels have a massive amount of content about this final week in Jesus' life. We will exposit all that in detail when we walk through the gospels together. Use these videos and readings to be amazed at Jesus as He moves towards the cross with purpose. As you grow in your understanding of what is happening each day of this week, marvel at Christ's purposefulness in every act as He knows His hour has come.

Good Friday Service

Please join us this FRIDAY at 7:00 PM for our GOOD FRIDAY SERVICE. We will celebrate the accomplishment of Christ as He completed the work and appeased the wrath of God for all of His people. Here at North Street, we love the cross. We speak of it often and celebrate it every time we are together. Don't miss this great service.

WE NEED A COUPLE NURSERY VOLUNTEERS

This church is so faithful to serve and we are so grateful for that. We need a few volunteers who are willing to do the nursery 3-4 times a year. If you would be willing to help, please talk to Deanna Klutinoty.
