NORTH STREET
CHRISTIAN CHURCH

God's Glory

Last week I wrote about how we can't erase God's wrath with an improper focus on His love. Today, I want to emphasize that God's love and wrath work together to achieve the same goal: God's glory. God has designed the eternal plan of salvation to glorify Himself. God is glorified in the loving salvation of His people. He is also glorified in the just condemnation of the wicked unregenerate. It's the complete picture of God that reveals who He is. One can't magnify His love, erase His other qualities, and still see the full glory of who God is. Worship God for who He has revealed Himself to be, that is how one properly understands God's love.

All Deacons and Deaconesses

Next Sunday, we will have a meeting immediately after church. We need to discuss some things and get everyone on the same page. Please plan to attend, I look forward to sharing a quick passage from scripture with you. Thank you all for your cooperation and all you do around North Street.

Attention all Congregants of North Street Church

Sunday, March 2nd, we will have our annual congregational meeting. Plan to stay after church and be informed of what things are looking like this year at North Street. We accomplished some of what we had planned for last year, and we will update you on that. There are other things planned for this year that you need to hear about. This meeting is to be as clear as possible as to what's happening at North Street and be informative for you. This is a great church, the elders love you and look forward to 2025 with you.

Sun

9:00 Sunday School
