Today's Text  
Romans 6:8-11

# NORTH STREET CHRISTIAN CHURCH

## Hate Sin & War against it!

If you are a true believer, you are well aware of our warfare. We are more than just familiar with this conflict because it has never ceased since you came to Christ. Upon salvation, you are placed into this battle against sin. You are not alone. Every believer is in the same fight, warring against the flesh and hating sin. Even the great apostle Paul fought against sin. Romans 7 is a great description of a man who wants to do what is right but often falls into sin. We will get to that text, but as we work through Romans 6, we see that sin has lost its reign over us. We are no longer slaves under the master of sin. So the conclusion from both chapters is that even though sin no longer dominates, even though sin is no longer master of you, you still have to make a choice not to let sin reign, not to present the members of your body as instruments of unrighteousness. Inwardly, all who are in Christ are NEW CREATIONS. They have been transformed into a being who loves righteousness. But transformed beings still need to be separated from their earthly, temporary, fleshy bodies. That will happen at death. In justification, believers are transformed, in physical death, believers are separated and then glorified with an eternal body matching their transformed inside. So until death, the believers transformed inside is at war with the fleshy outside, and it hates the sin that tries to make its way into your life.

## THANK YOU...

Bob and I want to thank the church family for their prayers and encouragement before, during and after Bob's gallbladder surgery I felt a peace when going through this time with Bob. We serve a Great Comforter. Thanks again from your brother and sister in Christ, Bob and Jane.
