Today's Text: John 8:21-30

## Don't Die in Your Sin, Be Saved from Your Sin

The Bible tells us that "Christ Jesus came into the world to save sinners" - (1 Timothy 1:15). This was the very proclamation of the angel to Joseph concerning the birth of Christ. He was told to call His name Jesus, for "He will save His people from their sins." (Matt. 1:21). The fact that Jesus came to earth on a rescue mission makes it so sad that people reject His offer. In today's text, John 8:21-30, Jesus tells the people that they will die in their sins. What a tragic ending to a life! The reality is that people miss the salvation that is available through Jesus and die in their sins everyday. Sin is the reality for all people that have ever lived. No one is born free of sin - it infects every different social group, every race of people, every individual regardless of their status or visible morality. The fact that we are all sinners leaves us all in need of saving, and the fact that a Savior came, makes it a tragedy when someone dies in their sin. People "try Jesus" for all kinds of different reasons. Maybe they want their marriage fixed so they "try Jesus," or maybe they want their reputation cleaned up so they "try Jesus." While there can be a lot of good results to following Jesus, if all one is looking for is fulfillment for earthy things, or escape from temporary problems they are missing the point of the gospel. Christ Jesus came into the world to save us from sin, and that changes one's eternal destiny. If you have not met Jesus as the Savior, then do so today. Don't waste another day - you may not have another day. Put your faith in Jesus Christ and what He accomplished, repent of your sin, and glorify the one who saved you.
