We at North Street Christian Church are a group of people who are passionate about and living for the glory of God. We gather together to worship Christ because He is totally worthy. In our worship of God we aim to know God which is why we spend time in the Bible. You will find our services to be sermon heavy and very focused on the proper interpretation of the text. Join us as we aim to be the church and properly understand the living God that we serve.

1 PETER

I look forward to starting the book of 1 Peter with you. We will begin that series on February 5 - just one week from today. 1 Peter is Peter's first inspired letter to the church. It is written at a time of persecution when the church is being blamed for the burning of Rome. Nero was responsible for setting the fire to the city, but he quickly passed the blame onto Christians who were already hated because of their association with Jews. As this time of intense persecution was happening, Peter writes to encourage and strengthen those believers in their sufferings. Peter doesn't promise them that life will get easier throughout this book. He knows the persecution is great and it seems to be increasing, so he encourages them to suffer well and live victoriously through it. One simple way to summarize the book is Peter calls them to remember. In the midst of your suffering, remember the salvation you have, remember your testimony before others, and remember that Christ will return and reward His people.
