## Living Strong—A BENT TOWARD GRACE

### CONGREGATIONAL MEETING TODAY

*Follows Worship Gathering*

Each month that contains five Sundays ends with a congregational meeting following morning worship on the fifth Sunday. The purpose of the meeting is to keep the congregation informed concerning our remodeling project and Church finances. Also any other pertinent information can be shared at the same time. Following today's worship Terry Hartman will call the meeting to order. A Building Report Update will be shared by Bob Ogden and Bob Seaver. John McIntyre will give a financial report. All members are asked to remain for the meeting.

### REMODELING PROGRESS CONTINUES

The remodeling project of the Christian Education and Dining Area of NSCC continues with steady progress. Bob Ogden, our Project Manager, says that we are about 55% completed and hope to have occupancy by the latter part of October. *Some days have been fun and exhilarating, other days have been intense and less rewarding – but progress continues and Bob O is still smiling – as he always does!* Take a look at the photos to see some of the recent progress. A big event this past week was the connection of the new electrical service panel that has been installed. Bob Ogden and Bob Seaver will give a verbal update at today's congregational meeting. Thank you to all who have worked, prayed and given to this project.

ONGOING DONATIONS TO THE BUILDING FUND ARE VITAL

The Building Fund is one of the important areas of giving at NSCC. Since November 2008, we have raised \$340,443.36 toward our building project. We have used \$222,432.41 for design and construction to date. The remaining balance of the building fund is \$118,010.95. Those funds should pay for the remaining planned construction in this first phase with the exception of the needed changes to the kitchen. It is vital to our progress that we continue to bless the Building Fund as we near the end of our first phase.

We have been greatly blessed by the promise of matching funds of \$150,000.00 (given in \$30,000.00 increments) in 2009. We have given enough to complete two of the matching gifts. WE ARE ONLY \$11,170 AWAY FROM RECEIVING THE NEXT \$30,000.00 GIFT! Please consider making a generous, joyful gift to the Building Fund to help make this next goal. Once the third matching gift is received, we of course would like to raise an additional \$60,000.00 in 2009 so as to take full advantage of the generous offer of our benefactor.

For now – every \$1 you give is like giving \$2, once it is matched. That is to say that your \$100.00 gift becomes \$200.00. Your \$1000.00 gift becomes \$2000.00. Your \$5000.00 gift becomes \$10,000.00. Your \$10,000.00 gift becomes \$20,000.00. Now that’s good stewardship!
