TODAY'S MESSAGE—CRAVING

THAILAND REPORT

From Barnabas Seangsirikhun

With thankful heart sending greetings to you in the name of our Lord Jesus Christ.

I am willing to share the Gospel whether in day time or night. Thank you for your allowance for my family daily living that I can preach the Gospel. Many people heard the first Gospel from my life.

Recently a Thai young girl 10, 5th grade accepted Jesus and the following day I approached a fellow and he decided accepted Jesus Christ. His is named Mic as he was born in McCormick hospital. He is about 45 years old. That night I went to medicated herbal medicine to a fellow and shared the Gospel till 10:30 pm. As soon as I fetch up my kids I left them at home and I went out for preaching at 6 pm.

Chasi, Lahu preacher called me to preached in their Thanks Giving in this coming Saturday. That means I have to travel to more villages as the harvest season comes. The Christmas (witnessing for Christ's born) will be followed after this.

In this year we have Witnessing For Christ's Born in

1. Payangam on December 6
2. Thamakian on December 11
3. Chiangmai on December 13
4. Nong Taung on December 20-23

I have to prepare the electric and sound system, and build the stages and traveling and our three trucks will be running from November to January.

Please help us that we can preach the Gospel in Christmas

Christmas in Refugee Camp

I was invited and asked help from refugee camp for couple years but as I don't have budget I couldn't go down there.

This year if our Church (NCC) willing to support me, I would like to go down and preach the Gospel to refugees. So please remember this in your prayers.

If we go, we go by team, all our evangelists about 20 will be going.

We will buy some gifts, and medicines, and

food for them.

We will be singing and preaching and praying As it is Burmese speaking camp, no problem for me.

I will bring Burmese Bible to them also.

So please pray for us if it is the will of God, we would like to serve him in the refugee camp.

Another great challenging is that the Karen leaders asked me to run an orphanage there as they have been fighting with Burmese soldiers for 60 years. There won't be any doubt that they have many orphans. What shall we do? Are we called to do this ministry?

There are still great numbers that not registered in UN record. Those are still need their daily food.

I am the Asia window for North Street Christian Church to reach the people by the Word of God in Asia.

Thank you very much. May God bless you.

In His Service
Barnabas

KAREN/BURMESE HILL TRIBE PEOPLE IN PITTSBURGH

Clothes Drive Ends October 4th

Refugees from the Myanmar Christian Church which is made up of both Karen and Burmese people have been relocated in the Pittsburgh area. Discovery Christian Church has helped to organize Bible Studies, Worship Services, and Social Events that bring the Burmese and Karen people from these areas together as one. Worship is held in the building of the Grace Lutheran Church in Troy Hill.

We have been invited by the Discovery Church to help by collecting used and new shoes and winter clothes to help these people stay warm during the winter months. All kinds of shoes and warm clothing is needed for children and adults. Bring your used and new items to worship through next Sunday, October 4th and place them in the front of the church.

A BLESSING TO OUR BUILDING FUND

At earlier time in his life, one of our Church members collected stamps as a hobby. No longer having the same interest, he presented the stamp collection for sale three times at various yard sales – the whole collection for \$100.00. Having not sold them, he then learned of the nephew of another one of our Church members who had an interest in stamp collecting – so he presented the stamp collection as a gift to that young man. The collection was delivered and here is the note received:

Dear _____,

I returned to Pennsylvania last weekend to see my parents. While I was there I received your stamp collection that my Aunt had left with them. I wanted to thank you for your very nice collection. Your Plate Block Albums hold a lot of fine stamps from before 1980. I was also pleasantly surprised to see you had a stock book with many foreign stamps included. There are many items that will keep me busy for many hours. I'll probably be picking through it all winter. My aunt mentioned that your Church is building an addition. I am enclosing a small donation. Thanks again for such a wonderful gift.

Sincerely....

The gift was for \$100.00! God provides in amazing ways, doesn't He?

Fall 2009 SERMON SERIES—SATISFIED

Begins Today

Are you satisfied? It appears that lots of people are looking in lots of places for lots of satisfaction. Even Christians seem to be on a quest for MORE, MORE, MORE! How will we know when we have ENOUGH? The Bible promises that when you have found life with Jesus that you have all you need and can live a SATISFIED LIFE! Christians certainly would agree that is true – but it appears that we don’t really subscribe to the truth of it all – if by observation the evaluation is made. Join us for an upward and inward look toward satisfying the mother of all cravings – SPIRITUAL SATISFACTION! The treasure in the field can be found and it’s worth selling all to possess it!

How precious is Your lovingkindness, O God!
Therefore the children of men put their trust under the shadow of Your wings.
They are abundantly satisfied with the fullness of Your house,
And You give them drink from the river of Your pleasures.
For with You is the fountain of life; In Your light we see light. Psalms 36:7-9
