Summer Sermon Series – RADICAL  
10 Messages from Jesus’ Sermon on the Mountainside

The sermon on the mountainside, found in Matthew 5, 6 and 7, is perhaps the most amazing of all Scripture. In Jesus’ inaugural message, He spoke directly and intently to the core of a man’s being. He made it clear that finding self, meant getting lost in the kingdom of God, that purpose is discovered through humility and that “Follow Me!” would replace, “Keep God’s Law!” Join us this summer as Pastor Bob delivers 10 messages to help listeners discover the life-giving, freeing power of God through Jesus. YOU will be challenged to “be building your house upon the rock!”

CHINESE WOMAN SAVED  
Barnabas Reporting From Thailand

Hi Bob,  
See the first picture: a lady with yellow shirt took me to see the black dressed mother. It was a long drive to see them. After I shared the Gospel, she decided to accepted Jesus Christ her personal savior. I shared the Gospel to her husband and other fellows that visited them. The lady with yellow shirt came from Taiwan. Two years ago, I sent to Taiwan and her son converted to the Lord.  
We have more new converts from different villages in their monthly report. Let us pray for the new converts.  
May God bless you.  
With thankful heart,  
Barnabas

SISTERHOOD

Summer is here! Hurrah!

Thursday, June 16, 2011 we will meet at the North Shore of Moraine Park for a day of relaxing, swimming, eating, and fellowshiping beginning at 10am. Bring your family, a picnic lunch, lawn games (if you have any), a blanket or chairs and your CAMERA. Judy Moore has agreed to join us and give us some pointers on picture-taking. Even if you can't make it at 10, we will be there until at least 2 in the afternoon. Last year we even made it through the raindrops for some fun and fellowship. See you at the shore.

He turned the rock into pools of water; yes, springs of water came from solid rock. Ps 114:8

Our thanks to Deb King who donated today's flowers in memory of her mother, Chervyl Martin,

WHAT IT MEANS TO BE A RADICAL CHRISTIAN

The term Christian has transformed over the years from a name that meant something, a worldview that filled your every joint and crevice to a mere name that people claim with no meaning behind it. Our world is littered with people who call themselves Christians but do not live as one. In order to be a radical Christian, one must be sold out to the biblical view of living. We can look through history and find heroes that have fully committed themselves to Christ. Their faith was so radical, they were willing to be mocked, beaten, imprisoned and even killed for living out the name of Christ. These heroes will be the basis of our radical study in the youth. We will take a detailed look at their stories and see how there faith could not be shaken. They were challenged even to death, but the Christian name they claimed was so real, so radical, that they refused to give it a backseat to anything. The youth of North Street Christian Church will see what a radical Christian looks like; they will see examples of whole heartedly fol-
