DR. ROY YARBROUGH TO SPEAK AT NORTH STREET CHURCH

Saturday and Sunday November 12th and 13th
MESSAGE: ARE YOU READY FOR YOUR FINAL EXAM?

Dr. Roy Yarbrough, Professor of Sport Management at California University says, *"The greatest use of my life is to spend it on people who will out last me. It is better to begin each day thinking victory, and not defeat; to awake to grace, not shame."* Pastor Bob met Dr. Roy (Roy the Baptist) at the time of Bryan Hoover's funeral over a year ago. Both men spoke at Bryan's memorial. Dr. Yarbrough delivered a straightforward fatherly talk to all who were present speaking the truth in love and encouraging everyone to have their own life in order for none know just what day they may be called home. Dr. Roy will speak at a Men's Breakfast on Saturday November 12 and for Chapel Hour and The Gathering For Worship on Sunday Morning November 13 here at North Street Church.

The Shepherd of My Heart preschool children and their parents along with the teachers recently visited the Metrick's Harvest View Farm and Lesney's Dairy Farm. It was a great day for the children to experience many new sights, sounds and even smells. Everyone learned some new things about apples, bees, chickens, cows and even making cider and milking cows!
DID YOU KNOW... that one single honeybee produces 1/8 teaspoon of honey in its lifetime. That means the 1 teaspoon of honey you put in your tea this morning was the lifetime work of 8 honeybees! Amazing isn't it?
