Playing for His glory

Declaration of **National Spiritual Emergency**

With heavy hearts, we recognize that the church in America is in a state of spiritual emergency. Like the churches warned in Revelation, we have become lukewarm and compromised, and the light of our witness has grown dim.

We confess that despite access to more resources and biblical teaching than any other group of believers in history, we are not characterized by the supernatural power of the Holy Spirit. And we acknowledge our lack of widespread impact for Christ on our lost and disintegrating culture.

But God is waking us from our slumber and mobilizing us to pray earnestly for revival. Together, we desire to travel the narrow road of brokenness, humility, and repentance.

In desperation for God, we cry out for the extraordinary work of the Holy Spirit in our day. We believe that true revival is the only hope to reverse our spiritual recession and enable us once again to display the beauty of Jesus Christ and His gospel throughout the world.

Because we believe that only Christ can save, heal, and revive, we pledge to:

~ **TURN** - in humble repentance from ever sin God reveals to us

~ **PRAY** - with urgency for spiritual recovery and awakening

~ **UNITE** - with other believers in spreading the hope of Christ-centered revival

Casas Por Cristo Builds Home 4000

Just few weeks ago, the 4000TH home, over a period of nineteen years, was built by Casas Por Cristo ministry of El Paso, Texas. The included photo is of the actual home and family who received it along with the executive Pastor's committee and the Casas Por Cristo staff and families. NSCC extends our congratulations to Casas Por Cristo and especially Scott and Jonna DeWitt as they continue to serve faithfully with the ministry there. A group led by Jake Klutinoty and Jon Ray will build our second home in 2012, departing July 29 and returning August 4!
