MEXICO MISSIONS TRIP

NSCC has officially registered for another trip to MEXICO. We will be traveling to Juarez to build another house and show the love of Christ to those around us. We are putting this missions trip together as a Youth Trip. This trip will be very beneficial for the youth to not only see the need in other parts of the world, but to build relationships with each other and really grow spiritually. The trip will take place from July 29-Aug 4. We are looking for a commitment and a 100\$ deposit by May 1st. This will allow us to know who is coming, start with meetings and plan some fund-raisers. The trip is roughly 1000\$ a person so we want to get signed up and start bringing in funds. Any questions about the trip can be brought to John Ray or Jake Klute.

SISTERHOOD

Next Meeting is March 22nd at the Legacy House beginning at 7 pm.

Have you reached out to your Secret Sister lately?

TIM Update

"From Stateside to the Hill Tribe"

The kids in Chiang Mai finished up school last Monday and are now officially on school break. Enoch had a party at the Children's Ministry for the kids before they returned to their villages for a few months. Now that the children are back home, Jesse will be focusing mainly on the ministers, their life in the villages, and their needs. Along with Barnabas and the church helpers in Chiang Mai, there are about 12 ministers that live and preach in nearly 20 different villages throughout Northern Thailand. The ministers take care of their church and congregation as well as reach out to the people of their village. They also have the responsibility of caring for their own individual family and working in the fields farming and raising crops. They are an amazing group of believers who have devoted their entire life to serving Christ.

SUNDAY, MARCH 25 Calling all Youth Parents

The youth of North Street have a busy summer planned. This summer will be packed with activities designed to help the youth grow spiritually and build relationships amongst each other. With all the activities that are going on and all the dates floating around there are several I would like to discuss with the parents of the youth. If you have a youth present at this church I would like to meet with you next Sunday, March 18th, immediately after the Gathering for Worship at Legacy. There are at least 2 major events I would like to discuss.

Read Across America Rolls On With Special Guest Readers!

The Shepherd of My Heart Pre-Kindergarten students are getting excited about reading! The excitement began on March 2nd when we celebrated Dr. Seuss' Birthday with a special kid-made ice cream treat and fun stories. Each week during March guest readers are scheduled to visit the classroom and read to the children. On Wednesday, Alishia Cousins read a fun doctor book with the children and then she got to put on a new hat when she explained her very important job as a nurse at Children's Hospital in PGH. Using a special, doll she did a wonderful job explaining and demonstrating different procedures, e.g., installing an IV, taking blood pressure, using special scissors to remove a bandage, administering medicine and listening to a heart, lungs and even a belly! Afterwards, the kids were given a doll, similar to Alisha's, as well as markers to draw a face or boo-boos, colorful Band-Aids and stickers so they could take care of a patient too! The kids enjoyed learning from Alishia and taking care of their very own sick or wounded patient! Praise the Lord for Alishia and the special gifts He has given her and for the wonderful learning opportunity! - Fi Saeler

The Pre-K children, Miss Alishia and all the new patients!"

Are you looking for a way to turn your faith into action?

Since 1877 families have been opening their hearts and homes to a child visiting from the New York inner city through the Fresh Air Fund. Sharing the wonders that our area offers—a dip in a lake, a walk in the woods, the bike trail, canoeing, or just a backyard game of flashlight tag, can make the memories of a lifetime for a city child. Fresh Air Children on first-time visits are six to 12 years old, and hosts may request the age and gender of their visitor. For more information contact Brenda McCall, 724-283-4556, biscuit312@aol.com or visit www.freshair.org.

I want to thank the many volunteers who support the Van Ministry on Wednesday evenings and Sundays. Without the passionate commitment of volunteers this ministry would not survive. Jewell Vensel, Funa Hamblin, Rondi Morter, Karen Munko, Brigitte Maukar, Isaac Huber, Pam Weichey , Janet Rodgers, Sally Cousins, and Tammy King have been serving as van monitors and lately Michelle Moreland. Andy Lasichak , Jim Convery, Paul Baker, Curt Weichey, Pastor Bob, Kathi Huber, and when needed, Mike Elkin, have been serving as drivers. Mike Elkin also serves as the check-in and check-out coordinator on Wednesdays. Thanks go to Barbara Carson who has been leading the Prayer time for the van monitors and to Jane Ogden who has served as a monitor and as check –in and check –out person as well as answering the phones. Thanks to Lara Major who has been answering the phones for the last several Wednesdays as well. Thanks to all of our brothers and sisters in the Lord for their commitment to this ministry. I also want to thank the adults who sit with the children in church as well, Landon and Julia Muir, Eric and Andrea Cranmer, Jim and Michelle Convery, Alisha Cousins, Michelle Cousins, Curt and Pam Weichey, and Tammy King. This is such a Christ centered outreach to the homes in Butler as the children's teachers bring the gospel to the children in the classes, who in turn, take it, in words, in crafts and in pictures, to their parents. We will be continuing this ministry through the end of May on Wednesdays and invite others of you who are looking for some way to serve the Lord to join us. Sincerely, Bob Ogden, Van Ministry Coordinator.
