WELCOME TO NORTH STREET CHRISTIAN CHURCH

We welcome you to North Street Christian Church today. Our gathering centers around the worship of God the Father, Son and Holy Spirit. Our message is that of Jesus Christ, who was born of a virgin, lived a sinless life, died a vicarious death, resurrected from the grave, ascended into Heaven and is coming a second time. We now live in the Church age, that period between His first advent and His second advent. Our mission is to proclaim the good news that Jesus' sacrifice on the cross brought liberty from the captivity of sin for all who will believe, as HE became the "once for all" blood sacrifice – one man for all men, one time for all time! John 3:16,17 makes it clear – *"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life. For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him."* Join us in worship through the proclamation of His Word, the breaking of bread at the Lord's Table, fellowship and prayer.

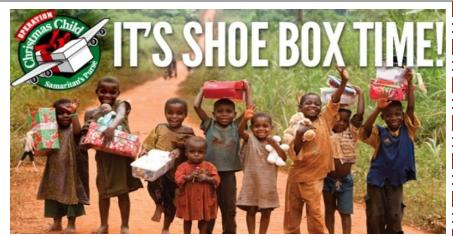

TODAY'S GUEST SPEAKER: Pastor Jeff Kipp of Chosen People Ministries

We are excited to have Pastor Jeff Kipp of Chosen People Ministries with us today. Pastor Jeff has been with us on several occasions in the past and we say, "Welcome back to Butler and North Street Christian Church, Pastor Jeff!" Today's message is entitled, Israel and the Last Days! *Are we nearing the time of Jacob's trouble' and the time period the prophets spoke of when many of Israel's surrounding nations would seek to destroy her? What can we expect in the days ahead and in the time preceding the 2nd coming of Jesus?* What a timely subject and what a blessing for us to hear what the Lord has to say through Pastor Jeff today! DURING THE SUNDAY SCHOOL HOUR Pastor Jeff will speak in the Dining Room – SUBJECT: What's a Nice Jewish Boy Doing in

CONGREGATIONAL CARE AND FELLOWSHIP

End of year meeting for views and reviews. There is a meeting scheduled for Tuesday, November 13 @ 6:00pm in the library for anyone involved or who would like to be involved in this ministry. I'd like us to review this past year, share some thoughts, and look ahead to next year so we can think and plan and be ready to meet in January with our ideas to put on the calendar for 2013. If you would like to know more about this ministry department and have a voice in and be a part of what is done this is a good meeting to attend.

Hope to see you there, Doug Emmett

RECAP OF OUR YOUTH SUNDAY

What is the purpose of the church? Why do we gather every Sunday and worship together? When done correctly we are not only gathering every week to get but to give as well. When done correctly the church is meant for edification, the building up of believers. Last Sunday the youth led the entire service here at North Street Christian Church. They demonstrated a solid example of how different talents can be used to bring glory to our King. While last Sunday was not a typical week at North Street I found myself feeling very edified as I left the parking lot. I have the youth to thank for that, their willingness to serve and desire to be involved was such a joy to my heart. I pray that the service was as uplifting to you as it was for me. I also ask you to keep the youth in your prayers. While they did an awesome job last Sunday they did a dangerous one. Teaching Gods word and leading his service is no light matter. Keep the youth in your prayers as they go out into our schools and shine as a light unto the world. May they run the race, stay the course and finish strong. ~Jake

AS WRITTEN AND READ BY ZACH FERGUSON for YOUTH SUNDAY 2012

Failures of the past, can't hold us back, the hole we climbed out of, was evil, and pitch black, thinking we were pulled out by our own will to win from within, standing up against this sickness, now let the real story begin, catastrophically claustrophobic, understandably being aerobic, needing this air as our friend, it's keeping us alive, but we'll all still die in the end, pain is temporary, but on the contrary, our words are our pain, belief is a choice, found to be an escape for the few, that are trapped within their own subconscious, forever feeling subdued, until believing makes a surprise visit to the place no one would dare go, building in strength, it will continue to grow, larger and larger, progress continues to be seen, until the mind is finally clean, to start with new outlook on life, no more twisted realities and thoughts, can cut through each heart like a knife, the past is the past, and future is yet to come, if you only remember one thing, Christ's death on the cross , is where our salvation is from!

WE'RE ALMOST THERE!

For the past few weeks we have been collecting donations for the Andrew Hacke family. I am so thankful and happy to say that we are almost there! Our goal was to cover Levi and Trevor's preschool tuition for the remainder of the school year while their daddy is serving in the military overseas. We have only two months or \$316 remaining. I am hoping that you can help! Let's continue to join together and bless this family. Thanks so much for your care and support. ~Fi Saele

Come One, Come All!
