## 10 Commandments and Beatitudes Stone of Testimony DEDICATION TO BE HELD SUNDAY, OCTOBER 14

Over a year ago, NSCC began raising funds to purchase a testimony stone of The 10 Commandments and The Beatitudes. In just a few months, the funds were raised! Initial plans were to install the stone sometime late spring to mid-summer. With the construction of the church offices being relocated in the church building and the razing of the present office building at 226 West North Street, the project was delayed. The construction has progressed and the stone of testimony will now be set in place in early October. On Sunday, October 14 plans are to hold a dedication of the testimony stone, our ministry and congregation as we put the living Word of God on display!
