HAPPY VALENTINES DAY

## ANNUAL CONGREGATIONAL MEETING TODAY ~ Sunday, February 14, following Worship

We are continuing our five week series from Ephesians 4. Ephesians 4 is a monumental chapter in your Bible for what the church is, and what the job of the pastor is. God has used this chapter to shape my understanding of what my role is here at North Street. Throughout this short series, we will talk about the unity of the church, the uniqueness of the members in the church, the role of the Pastor, and finally what our life and walk as Christians looks like.

### Submission to God's Word

Expository preaching is to set forth the meaning of the text through the delivery of a sermon. This is how we preach here at North Street and we do it for six main reasons.

- 1- Its the example we see in the Bible
- 2- It establishes the authority of God over those hearing
- 3- Christ is the Head of the church
- 4- The Holy Spirit works in accordance with the Word of God
- 5- It shows submission to God's Word**

The Word of God is powerful. Scripture is our complete and perfect revelation from God himself. He gave us exactly what we needed to know Him and know how to live. When a preacher goes verse by verse through the Bible, it allows scripture to do the teaching. When people learn scripture correctly it changes their lives.

2 timothy 3:16-17 - "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work."

God promised in scripture, that the Bible can equip us completely for anything we are expected to do. Instead of looking for other resources, or submitting to man's opinions, we should long to know truth from the Bible, and submit to that perfect truth. Expository preaching lays the meaning of God's word before the listener and shows submission to the words that are from God Himself. Next week, we will look at the sixth and final reason that we study the Bible this way.

### Adoption Dreams

Niki and Logan Collins are having a roni roll sale to fundraise for their current adoption. The sale will run through 2/21 and orders will be available to pick up at the church on Sunday 2/28. They are \$3 each or 4 for \$10 ~ you can choose from plain cheese or peperoni. If you would like to order, you can speak to a member of the Collins or Simpson families. Money is due before order delivery.

~ If you would like to help them fundraise in other ways in the future or would like to help bake and deliver orders, contact Niki at 724-504-2177.

~ The Collins want to extend their gratitude for the support they have received already from their NSCC family in their new journey of starting a family through adoption!

James had a unique earthly relationship with Jesus, but his letter clarifies what the Christian life should look like for us all. The Book of James is filled with practical wisdom for Christians, calling us to live out genuine faith through good works, but it is also rooted in rich theology. Perhaps more than any other book in the New Testament, James emphasizes the application of Christian belief.
