## Submission to Gods Word

We are continuing our five week series from Ephesians 4. Ephesians 4 is a monumental chapter in your Bible for what the church is, and what the job of the pastor is. God has used this chapter to shape my understanding of what my role is here at North Street. Throughout this short series, we will talk about the unity of the church, the uniqueness of the members in the church, the role of the Pastor, and finally what our life and walk as Christians looks like.

Welcome To North Street Christian Church. We describe ourselves as an Expository Bible Church, which means we are setting forth the meaning of the text and covering all of it. At North Street we preach exposition for 6 main reasons.

- 1- Its the example we see in the Bible
- 2- It establishes the authority of God over those hearing
- 3- Christ is the Head of the church
- 4- The Holy Spirit works in accordance with the Word of God
- 5- It shows submission to Gods Word
- 6- It gives people the only real source for help**

The Word of God is our source of truth. It is written by a perfect God and is therefore a perfect book. When a soul is truly searching for meaning it is the truth that satisfies. The Bible gives those thirsty souls the truth, so we peach it. We know that man's words have no power, they can't save anyone. But God's words do. The Bible also, sanctifies the believer, (John 17:17) it equips the saints, (2 Tim 3:16-17) and it matures individuals. (1 Peter 2:2) Never forget, while there is a possibility that you will fail, there is no possibility that scripture will. Fall in love with the word of God, it is life changing and life giving.

James had a unique earthly relationship with Jesus, but his letter clarifies what the Christian life should look like for us all. The Book of James is filled with practical wisdom for Christians, calling us to live out genuine faith through good works, but it is also rooted in rich theology. Perhaps more than any other book in the New Testament, James emphasizes the application of Christian belief.
