Today's Text: John 7:53 - 8:11

This morning we are back to our study of the book of John. In this gospel written by John he tells us exactly why he wrote the things in it. In John 20:31, John tells us that he wrote the things in this book so that we "may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in His name." John wrote with a focus on proving the messiahship of Jesus and evangelizing so readers can believe. Today we are starting the 8th chapter of John which means we are only a third of the way through this amazing book. Be excited as John has some incredible things to teach us about who Jesus Christ is.

Ephesians 4

Thank you for being students of the Word and digging through Ephesians 4 with us. That 5-week series on what the church is to look like should propel us forward in ministry. We are placing the different Bible studies that are available on the back of this news sheet again and asking you to join one so that you can be fed by the leaders of this church. Make sure you're being filled with good doctrine then allow that doctrine to fuel you for ministry. Let's get busy working for Jesus Christ and being His church.

Good Morning North Street, today is Youth Sunday! We are so excited to have our teen/preteen program serving this morning. This program meets regularly on Sunday Nights and is called Rooted. We are so excited to give these teens the opportunity to serve within the church. We pray that they use their talents to glorify God today and everyday as they continue to walk with Christ. All of our Rooted teens have name tags so you know who is working today. Please join us after the service for a meet and eat with our youth. They have put together all the details, divided the jobs, and done the baking. There is so much time and love put into this Sunday and we hope you enjoy it as much as we do. Please join us in uplifting and praying for our teens. ~Thank you, Katie Davidson.

James had a unique earthly relationship with Jesus, but his letter clarifies what the Christian life should look like for us all. The Book of James is filled with practical wisdom for Christians, calling us to live out genuine faith through good works, but it is also rooted in rich theology. Perhaps more than any other book in the New Testament, James emphasizes the application of Christian belief.
