BABY BOTTLES DUE TODAY

## EVERYWHERE ~ ALL THE TIME

When studying the qualities of God one must understand that some of these thoughts are so far beyond our understanding. The nature of God is so far beyond us. God is other than us. We can understand what God has revealed about Himself, but we understand it in our temporary mind. Today I want to look at the fact that God is omnipresent. This means that God is everywhere at all times. God is infinite. He has no starting point or ending point, He is everywhere. 1 Kings 8:27 - says "but will God indeed dwell on earth? Behold, heaven and the highest heaven cannot contain You, how much less this house which I have built." Solomon understands that God has no beginning nor end. God is in all things and outside of all things. God is everywhere, at all times. To properly understand this, we must look at it in terms of nature vs relationship. God by nature is everywhere and in all things. The nature of God is present in Hell in the form of judgment. The nature of God is present in non-believers in the form of conviction or inspection of the heart. The fact that God is everywhere by nature doesn't diminish His presence in believers, it maximizes it relationally. God is everywhere by nature but very selective relationally. God dwells in the believer and is known. God is everywhere but chooses to dwell relationally in the hearts of believers. Now, since God is everywhere believers can take comfort in that reality. God being everywhere means that no matter what one is going through He is present. The presence of God comes with the support of God. God isn't just watching us flail around and attempt His will, He is present to help. Matthew 28 - "Go into all the world and preach the gospel... and lo I am with you always." When you are evangelizing, you're not alone, God is there. When you're called to preach, you're not alone, God is there. When you go through hardship, you're not alone, God is there. Take comfort in the omnipresence of God and live like He is there because He is.
