Missions Team 2022

Casas por Cristo
short term missions

The July 2022 Mexico Team is excited to be back at North Street! We had an excellent build in Juarez, Mexico and want to thank all of you for your prayers and support! It is cliché, but **WE COULDN'T HAVE DONE IT WITHOUT YOU!** It was a humbling trip in our realization of the many gifts we received from so many to get down to Texas, secure supplies for the team and gifts for the Mexican family, build the house, and get back safely in the United States. It was a humbling experience to be continually served by the Mexican family we were building for. And it was a humbling time at the orphanage in Anapra to see the joy on the kids' faces and the big, happy family that the orphanage community was. The team has so much to share about our ups and downs along the way, too much to share in this article! We invite you to come out the evening of Sunday, August 28 at 6:30 to see many of our photographs, hear our first-hand accounts, and get our personal take-aways from the trip.

Perhaps you are interested on going on a future trip. Did you know that Casas por Cristo builds in four other locations besides Juarez? North Street has built a couple homes in Acuña, Mexico, but Casas also builds in the Dominican Republic, Guatemala, and Nicaragua. The house built in July was the thirteenth house that North Street crews built in Mexico! Praise God for working through us to provide homes for people that truly need them! With the Lord's leading and generous provision, we hope to continue our partnership with Casas por Cristo in not just building homes, but providing a tangible means to sharing the Gospel with those who need to hear it.

Once again, thank you for your faithful prayers and generous support for our July trip! We hope to see you the evening of August 28!

MEN'S BREAKFAST THIS SATURDAY

Meet at Moraine South Shore - first left above the swimming area.

Bring a chair and your coffee and enjoy the morning.

BUTLER FARM SHOW THIS WEEK!

The Farm Show is this week. There will be people evangelizing from the North Street booth every night. This is a great opportunity to get the message of the gospel out to those in our community. If you are part of the evangelism team be bold, loving, and represent Jesus well. North Street is part of Jesus Christ's church and we want to show people His love.

CHURCH PICNIC

The North Street church picnic is NEXT SUNDAY, August 14. This is a great opportunity to spend some time together and enjoy an afternoon of fellowship. The picnic will be at Alameda park in the Masonic shelter.

We have the shelter all day so we will head there after church and everyone can leave whenever they please. The church is providing a smoked pig as well as drinks. We ask members to bring a dish or dessert to share. There is no agenda so bring your cornhole boards and yard games. There is a playground that kids will enjoy.
