North Street Christian Church is a place that loves the Word of God! We focus on verse by verse exposition of the text, aiming for the sanctification of the saints (John 17:7). God is the author of salvation and God explains it better than anyone else ever could throughout scripture. So open a Bible and let's understand it correctly, aiming for the author's intent as we study something that will stand forever. Isaiah 40:8

## Victorious Death

As we get closer to Easter and we celebrate the resurrection of Christ, I want to remind you that the Messiah was not simply a tragic, unjust martyr at the hands of wicked men. Yes, Christ was murdered unjustly, by evil men, but He ultimately did it willingly. Christ's death was God's plan. It was the key to the redemption of sinful man. So instead of His death being a tragedy, it was a victory. The cross shows us divine love. The unjust death of Christ that's seen by sinful men killing Him reveals the just nature of God and makes him a justifier of the otherwise doomed. Rejoice in the glory of the cross of Christ.
