## What a perfect God He is...

As we head into the Christmas season, I am amazed at God's purposeful revealing of Himself. Christmas is God coming in the flesh and dwelling among us. While you and I weren't alive when Christ was here in the flesh, we have a record written down of what happened. The gospels are real history that God has preserved for us. When I think of the Christmas story and the birth of Christ, I am amazed that, though there weren't multitudes present, or news casters reporting, we have records of the event. Matthew and Luke wrote real history because God revealed it to them and wanted us to have it. Matthew writes of Mary learning she is with child. He also records Joseph's response to the news. He records the angel reassuring Joseph that the baby is from God and how the birth connects to prophecy. That historic narrative could only have been revealed by God. He has given us His word, preserved it for us, and we can worship Him as we study it. Praise God for His revelation of Himself to us.

## Teacups and Tinsel

We are hosting a Christmas Tea and cookie exchange (optional) on Saturday, December 20<sup>th</sup> from 10:00 am to noon. Feel free to bring your favorite tea cup and saucer as we gather for a time of fellowship and light refreshments. We will be making a Christmas ornament and enjoying the holiday spirit.

Anyone wishing to participate in the cookie exchange please sign up on the sheet located in the back of the church (on the coffee bar). We will provide amount needed once we know how many wish to participate. For any questions please see Tammy Parasida.
